Youth Advisory Committee

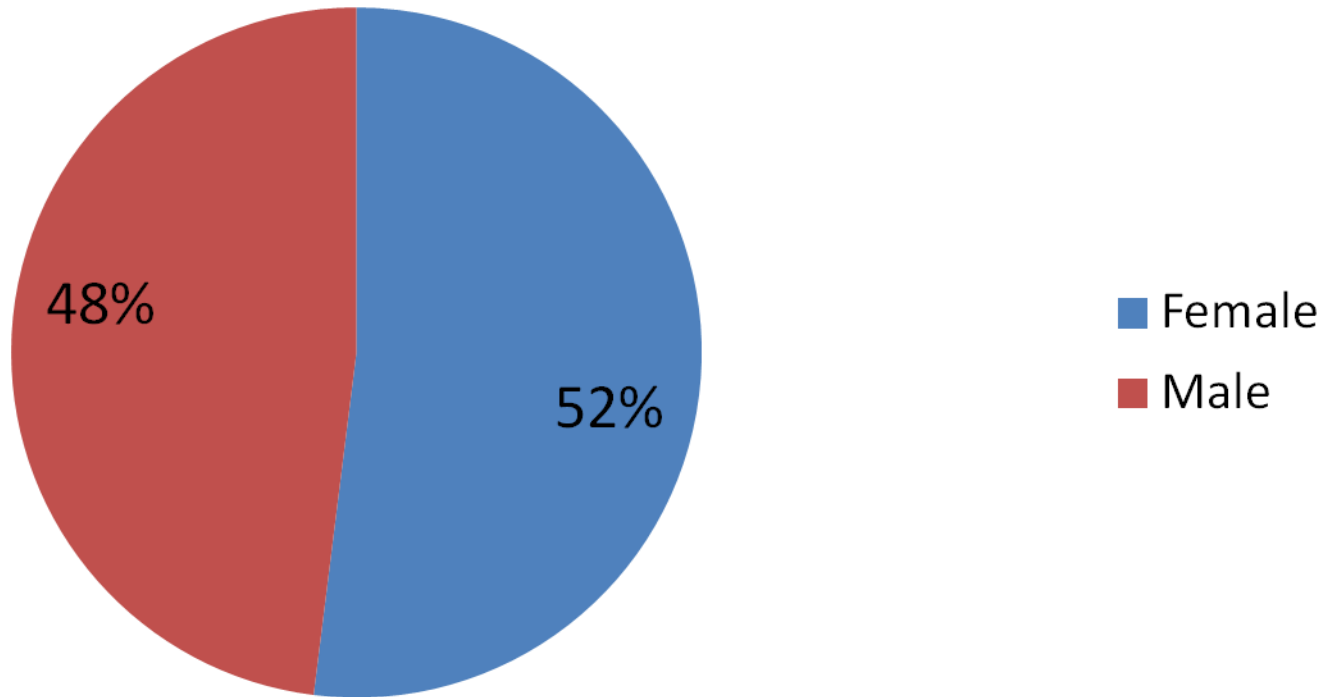

- Established in 1990, the Youth Advisory Committee addresses the needs and concerns of youth within our community. The committee reviews grant applications, makes recommendations to the Foundation's Board of Trustees, and evaluates the effectiveness of the projects they fund. The committee of student volunteers from ages 13-20 meet monthly throughout the school year. Adult advisors assist the Youth Advisory Committee as needed.
- Every three years the Youth Advisory Committee conducts a survey of Cadillac students in grades 5-12 to determine how grant money can best serve area youth. These are the results of the 2013 survey.
